

## A LETTER TO CHURCHES & CLERGY

**Please Schedule a one-minute prayer for the Nation each week in your service!**

Pray 4 America Movement will be providing a suggested 1-minute prayer for churches to use in their primary weekly worship services. This format is for pastors to use to promote a unison prayer cycle that repeats over time. You may change it to fit your style, but we ask that you remain faithful to the theme of the week, as our desire is to see unified prayer for leadership be offered up all across America.

The weekly prayer will be followed by daily prayers that connect to the prayer theme each week. We encourage you to let your congregation know that the daily prayers will be available to them on our website: [Pray4am.com](http://Pray4am.com)

Thank you for being willing to make a difference through unified prayer!
